

DISCOVER THE PLYMOUTH ROCK ADVANTAGE

Our mission is to provide agents and customers with superior service, innovative products, unique benefits and competitive rates.

For more than 30 years, Plymouth Rock Assurance has been a pioneer in redefining the way insurance companies do business.

Now we're bringing a better way to do insurance to Pennsylvania. This includes a completely new, easier-than-ever approach to home insurance — Plymouth Rock @Home.

We're using data to simplify the home insurance buying process. That means no more long phone calls or questionnaires. In fact, you can now quote and bind home insurance in under 5 minutes. That saves you and your customers time — enabling you to focus on what's important for your business.

Our commitment to service doesn't stop there. Our home and auto products come with exclusive features and benefits that put customers first:

- **Crashbusters®** mobile claim service brings the settlement process right to customers. In many cases, they'll get a check on the spot.
- Home insurance that offers **Guaranteed Replacement Cost, Utility Service Line coverage, a Home-Sharing endorsement and more!**

- **Get Home Safe®** accident prevention provides auto insurance customers with taxi fare reimbursement for a safe ride home.
- **Door to Door Valet Claim Service®** takes the stress out of auto repairs. We handle the process from start to finish.

You will find that Plymouth Rock offers unrivaled support to help grow your business. We provide a comprehensive suite of marketing programs, including:

- The **Sales Development Program**, offering online and on-site sales training boot camps to develop expert sales skills for principals, producers and CSRs.
- **Website and social media** reviews to enhance your agency's online presence and meet the demands of the 24/7 digital consumer.

But don't take our word for it — discover the Plymouth Rock difference for yourself.
